

Sewing Pattern — Dress 5216

Recommendations on fabric: crepe-de-shine of 150 cm width.

You will also need: organza; fusing; 1 zipper.

If the pattern has double contour the seam allowances are included.

If the pattern has single contour, the seam allowances are NOT included and need to be added when laying out and cutting details.

Attention! First of all please print all the paper patterns and lay them out at the width of fabric you plan to use (usually from 90 to 150 cm) to see how much fabric you will need. Don't forget to count pair parts and symmetrical parts.
