

## Sewing Pattern — Pullover 5118

Recommendations on fabric: knit fabric

You will also need: 2 eyelets; fusing; lining of same color for bias tapes (for shoulder seams) and of lining of pocket; double needle for the sewing machine.

If the pattern has double contour the seam allowances are included.

If the pattern has single contour, the seam allowances are NOT included and need to be added when laying out and cutting details.

Attention! First of all please print all the paper patterns and lay them out at the width of fabric you plan to use (usually from 90 to 150 cm) to see how much fabric you will need. Don't forget to count pair parts and symmetrical parts.

When sewing the garment, pay attention to notches, they must coincide.
