

Sewing Pattern — Pants 5117

Recommendations on fabric: wool suiting fabric

You will also need: fusible interfacing; lining; 1 zipper 18 cm long; 1 button

If the pattern has a double line around it, the seam allowances are included.

Note: By default, seam allowances are NOT included (single line) and will need to be added when laying out and cutting details.

Seam Allowance: 1 cm on all seams, 2 cm on hem

Attention! First of all, please print all the paper patterns and lay them out at the width of fabric you plan to use (usually from 90 to 150 cm) to see how much fabric you will need. Don't forget to take into account pieces to be duplicated or cut on a fold.

When sewing the garment, pay attention to notches. They must match up with corresponding pieces.

CUTTING:

The word, “beam” used on some patterns means “straight of grain”. Some pieces will be cut on the fold, this is noted on the pattern piece. Mark all notches and other design features such as darts, pleats etc. from the pattern onto your fabric.

Darts: The fold of the dart is always pressed toward the center of your garment, or down toward the hem.

Fabric:

1. Front - cut 2
2. Back - cut 2
3. Waistband - cut 1
4. Belt loop - cut 1

Lining:

5. Front - cut 2

Fusible interfacing: waistband

INSTRUCTIONS:

1. Apply interfacing to waistband.
2. Sew darts, press toward center.
3. Make and serge tucks on lining details of fronts, press lining hem inwards, turn edges and sew. Pin lining wrong side onto front wrong side and baste on open edges.
4. Sew side and inside pant seams. Serge seam allowances and press apart. Sew front center seam from zipper marker downwards and continue sewing back center seam.
5. Press one-piece facings for zipper onto wrong side: On right – along front middle line. On left – leaving 1 cm to front middle line (= seam allowance for zipper). Sew zipper under the edge of zipper seam allowance (left side) into the edge, placing zipper teeth close to the fold. Pin the cut, matching front middle lines. Sew free side of zipper to the facing right side, without catching the pants front half fabric. Sew right front half of the pants along zipper according to markers, catching the facing. * There are several ways to sew in a zipper. Here are two easy methods: [Sew in Fly Zipper](#) and [Video: An Easy, Flat Fly-Front Zipper](#) (Note: the zipper fly facing is not used in this method.)
6. Press seam allowances on belt loop on long edges onto wrong side, fold strip in half lengthwise, press. Sew longitudinal edges, and along the fold. Cut the strip into 5 equal parts. Tack belt loops to top edge of pants: on front - near darts, on back - near darts and above middle seam.
7. Fold waistband in half lengthwise, right sides together, and sew ends; turn right side out and out press. Sew outer side of waistband to garment, right sides together and sew. Press seam allowance toward waistband, press inner waistband seam allowance under, and baste to main garment. Topstitch the whole perimeter of the of the waistband.
8. Turn belt loops upwards, turn and topstitch near top edge of the waistband.
9. Press pant hem downwards, turn edges under and sew by hand.
10. Make a buttonhole on right end of the waistband, sew a button on left end.
