

## Sewing Pattern — Stole with cuffs 2008

Recommendations on fabric: sheer fatin

You will also need: lace border of 4-5 cm width, satin

If the pattern has double contour the seam allowances are included.

Seam allowances are NOT included by default and need to be added when laying out and cutting details if your pattern has single contour.

Seam allowances: 1 cm for all seams

Attention! First of all please print all the paper patterns and lay them out at the width of fabric you plan to use (usually from 90 to 150 cm) to see how much fabric you will need. Don't forget to count pair parts and symmetrical parts.

When sewing the garment, pay attention to notches, they must coincide.
