

Sewing Pattern — Shirt 7023

Recommendations on fabric: shirting (cotton)

You will also need: white cotton flannel with printing, 10 cm of blue cotton fabric of 90 cm wide; 15 cm fusing of 60 cm wide; 8 white buttons of 14 mm diameter.

If the pattern has double contour the seam allowances are included.

Seam allowances are NOT included by default and need to be added when laying out and cutting details if your pattern has single contour.

Attention! First of all please print all the paper patterns and lay them out at the width of fabric you plan to use (usually from 90 to 150 cm) to see how much fabric you will need. Don't forget to count pair parts and symmetrical parts.

When sewing the garment, pay attention to notches, they must coincide.

CUTTING:

Flannel:

1. Front part - 2 details
2. Back part - 1 detail
3. Sleeve - 2 details
4. Stand-up part of collar - 2 details
5. Collar - 1 detail
6. Pocket - 1 detail
7. Cuff - 2 details
8. Facing of sleeve slit - 2 details

Cotton:

1. Collar - 1 detail
2. Pocket top facing - 1 detail

Fusing: collar; stand-up collar; cuffs.

INSTRUCTIONS:

1. Apply fusing to half of cuff width, outer details of stand-up part of collar and to collar.
2. Press the pocket top facing in half lengthwise wrong side inwards, turn inside long edges, insert top of the pocket between them and sew all layers.
3. Press inside open edges of the pocket, lay the pocket onto left front part according to markers and stitch along the edge.

4. Make a tuck on the wrong side of back part according to markers and press as a counter pleat.
5. Sew shoulder seams, serge seam allowances, press to back part and put decorative stitch.
6. Sew the sleeve into armhole, leveling notches, serge seam allowances, press onto armhole and put decorative stitch.
7. Make the slit on sleeve according to markers and overstitch with facing. Put the facing onto the garment right sides together, aligning edges, and stitch by 1/4 of the facing width. Envelope the edge of the main garment with facing, turn inside facing edge left (1/4 of the facing width) and stitch along the fold, aligning it with the previous seam.
8. Sew sleeve and side seams in one step up to marker slit; serge and press apart.
9. Make tucks along the edge of sleeve according to markers, press in given direction and tack along the edges.
10. Sew the cuff: Fold cuff in half lengthwise right sides together, sew short edges and turn out. Put cuff with fused detail onto lower edge of sleeve right sides together and stitch; straighten the cuff, press open edge inside and stitch onto main garment along previous seam, continuing decorative stitch along all perimeter of cuff.
11. Press one-piece band of front part inside, turn the edge and stitch along the edge; put decorative stitch along the edge of front band.
12. Press shirt hem turnup and side slits, turn edges and stitch along the edge.
Sew stand-up collar: Apply fusing to one detail of stand-up part of collar and to collar. Fold both details of collar right sides together and sew along outer contour; turn onto right side, press and put decorative stitch. Fold both details of stand-up part right sides together, insert collar between upper edges according to markers, laying fused detail of stand-up part onto fused detail of collar, and stitch, continuing the stitch along ledges for closure. Straighten the collar, press open edges of stand-up part inside, insert neckline between them and stitch along the edge, continuing decorative stitch along top seam of stand-up part.
13. Serge buttonholes on cuffs, stand-up collar and left front part according to markers.
14. Sew buttons.
