

## Sewing Pattern — Trousers 7004

Recommendations on fabric: cotton.

You will also need: elastic tape of 3 cm wide and 35 cm long; zipper – the length depends on the garment size; 3 metal buttons of 14 mm in diameter.

If the pattern has double contour the seam allowances are included.

Seam allowances are NOT included by default and need to be added when laying out and cutting details if your pattern has single contour.

Attention! First of all please print all the paper patterns and lay them out at the width of fabric you plan to use (usually from 90 to 150 cm) to see how much fabric you will need. Don't forget to count pair parts and symmetrical parts.

When sewing the garment, pay attention to notches, they must coincide.
