

Sewing Pattern — Trousers 7044

Recommendations on fabric: semi-wool or cotton stretch fabric

You will also need: elastic gabardine; lining; fusing; 1 zipper; 1 button

If the pattern has double contour the seam allowances are included.

Seam allowances are NOT included by default and need to be added when laying out and cutting details if your pattern has single contour.

Attention! First of all please print all the paper patterns and lay them out at the width of fabric you plan to use (usually from 90 to 150 cm) to see how much fabric you will need. Don't forget to count pair parts and symmetrical parts.

When sewing the garment, pay attention to notches, they must coincide.
