

4706 - Sewing Pattern #4706

Recommendations on fabric: natural/mixed fabric suitable for dresses.
Contrasting fabric.

You will also need: dress zipper, fusible interfacing, 2 buttons.

Seam allowances: all seams 1 cm; seam allowance for hem of dress – 3.0 cm, seam allowance for hem of sleeve – 2.0 cm, seam allowance along vent – 6 cm.

Note on seam allowances:

- If the pattern has double contour the seam allowances are included. They are 1 cm unless specified otherwise.
- If the pattern has single contour, the seam allowances are NOT included and need to be added when laying out the pattern.

Note on length of fabric:

Attention! The amount of fabric needed for your pattern is not included. It will depend on the selected pattern size, the width, and design of the fabric you plan to use. First, print all the paper patterns and lay them out at the width of fabric you plan to use (usually from 90 to 150 cm). Measure how much fabric you will need. Don't forget to account for pieces that need to be cut multiple times and pieces that are cut on the fold.

CUTTING:

Note on cutting:

On the pattern pieces, "beam" means straight of grain. Lay out your pieces accordingly. Some pieces will be cut on the fold. This is noted on the pattern piece. Mark all notches and other design features such as pleats etc. from the pattern onto your fabric.

When sewing the garment, pay attention to notches, they must match up.

Main fabric:

1. Center back - cut 2
2. Side back - cut 2
3. Center front – cut 1
4. Side front - cut 2

Decorative fabric:

1. Back yoke - cut 2
2. Front yoke 1 - cut 1
3. Front yoke 2 - cut 1
4. Collar - cut 2
5. Sleeve - cut 2

Fusible interfacing:

1. Collar - cut 1

INSTRUCTIONS:

1. Apply fusible interfacing to collar and center front facings (whole cut with fronts).
2. Sew side backs to center back, press seam allowances towards center and serge.
3. Sew back yoke to lower back, press seam allowances towards yoke and serge.
4. Trim away 5 cm on left center back along vertical edge of the vent. Apply interfacing to the vent on both sides of center back on the wrong side. Mark center seam line (vent fold-line) from the right side. Press left part along vent fold, on the right side press onto wrong side only the seam allowance of right side of vent (6 cm). Align pieces along center seam and baste together along upper edge of vent. Serge seam allowances of vent. Sew center back seam from neckline up to first notch and from second notch up to vent corner. Clip into seam allowance of vent in corner on right part. Press apart center seam, press seam allowances of the vent and sew them together by machine. Sew in zipper.
5. Sew side fronts to front, press seam allowances towards center and serge.
6. Serge inner edges of center facings on yoke (whole cut with yokes). Press buttonstands onto right side and sew upper corner to the marked line. Clip into seam allowance near line, turn right side out buttonstands onto wrong side, press. Make buttonholes on right yoke. Pin right yoke onto left yoke and baste together along lower edge.
7. Sew front yoke to lower front, serge and press towards bottom.
8. Sew shoulder and side seams, press seams towards back and serge.
9. Pin collars right sides together and sew corners and collar fall. Start and stop sewing exactly at the marked line of seam. Turn finished collar right side out, straighten corners and press. Sew outer edge of collar into neckline, matching round mark on collar with back center seam, press towards collar. Turn under the raw inner edge of collar and stitch in the ditch.
10. Sew sleeve seam, serge and press. Sew sleeves into armholes, matching notches. Serge and press.

11. Seam allowance for hem and hem of sleeve serge, press onto wrong side and topstitch or hem as desired.
12. Sew on buttons according to button holes on left yoke.
