Recommendations on fabric: soft draping silk.

You will also need: satin lining, separable zipper

If the pattern has double contour the seam allowances are included.

If the pattern has single contour, the seam allowances are NOT included and need to be added when laying out and cutting details.

SEAM ALLOWANCE: 1 cm for all seams.

Attention! First of all please print all the paper patterns and lay them out at the width of fabric you plan to use (usually from 90 to 150 cm) to see how much fabric you will need. Don't forget to count pair parts and symmetrical parts.

When sewing the garment, pay attention to notches, they must coincide.

RECOMMENDATIONS ON SEWING SHEER MATERIAL. Do not draw contours via carbon paper on material, for they will be visible on the right side. The simplest way is to cut all details with equal allowances and sew edges on equal width.

INSTRUCTIONS:

1. Tack lining and fabric details and then sew them as usual (as fabric only).
2. Sew bust darts into cups.
3. Sew front part centers, front part relieves.
4. Sew back part relieves.
5. Sew right side of the top.
6. Tack lining and chiffon straps. Fold straps along the center and topstitch on 1 cm width from the bend. Turn straps right side out, then press and sew to cups.
7. Make drapes into the detail to be draped. Make large machine stitches along both sides of front part center line and along side edges. Do not gather details on the string.
8. Tack draping detail to upper edge of front part, with draping detail edge opened between marks.
