

Sewing Pattern — Skirt 5269

Recommendations on fabric: soft materials of natural or combined fibers.

You will also need: Companion gabardine; zipper; 1 button; clue interfacing.

If the pattern has double contour the seam allowances are included.

If the pattern has single contour, the seam allowances are NOT included and need to be added when laying out and cutting details.

Attention! First of all please print all the paper patterns and lay them out at the width of fabric you plan to use (usually from 90 to 150 cm) to see how much fabric you will need. Don't forget to count pair parts and symmetrical parts.

When sewing the garment, pay attention to notches, they must coincide.

CUTTING:

FABRIC:

1. Upper part of back panel - 1 detail
2. Lower part of back panel - 1 detail
3. Upper part of front panel - 1 detail
4. Lower part of front panel - 1 detail
5. Gusset - 1 detail
6. Waistband - 1 detail

Clue interfacing: strengthen the waistband detail with clue interfacing.

INSTRUCTIONS:

1. Sew together darts at skirt upper parts, press them toward center.
2. Sew together upper and lower details of the skirt correspondingly. Press seams downwards.
3. Sew right side seam. Sew the gusset to lower parts of the skirt. Press the allowances of left side seam to the wrong side and sew the zipper under them.

4. Sew waistband to waistline edge right side on left, right back side longer to make fastening. Face waistband ends. Fold inside edges of waistband and sew them in the sewing seam. Work a button hole on the left end of the waistband and sew button on the right one.
5. Turn over hem allowance along hemline, press, then topstitch or sew by hand.
