

## Sewing Pattern — Gown with hood 5258

Recommendations on fabric: light material with nap/pil.

You will also need: silk tape 4 cm in width.

If the pattern has double contour the seam allowances are included.

If the pattern has single contour, the seam allowances are NOT included and need to be added when laying out and cutting details.

Attention! First of all please print all the paper patterns and lay them out at the width of fabric you plan to use (usually from 90 to 150 cm) to see how much fabric you will need. Don't forget to count pair parts and symmetrical parts.

When sewing the garment, pay attention to notches, they must coincide.

### **CUTTING:**

#### Fabric:

1. Back – 1 folded piece
2. Pocket – 2 pieces
3. Front (with integrated hood) – 2 pieces
4. Belt – 1 piece
5. Sleeve – 2 pieces

### **INSTRUCTIONS:**

1. Fold the pocket integrated facing to the right side and stitch the side seams. Turn it right side out. Press the pocket seam allowances to the wrong side. Topstitch the pocket top. Topstitch the pocket to the garment.
2. Stitch the central hood seam. Press the seam open. Topstitch the seam allowances. Turn the hood right side out and stitch its top cross seam.
3. Notch the seam allowances between the shoulder seams and the hood on the distance 1 cm. from the fare sides of the darts. Cut the centers of the darts for about 3 cm. Sew the shoulder seams, finishing the stitching were the darts are. Press the seams open.
4. Stitch the hood to the neckline between the darts. Stitch the hood/front darts; cut the extra material and neaten them. Topstitch the seam allowance to the back below the hood seam.

5. Stitch the side seams.
6. Press the hem to the wrong side and topstitch it. Pin the silk tape face to face to the dressing gown and stitch 1 cm. from the central front edges and the hood edge. Fold the tape inside flipping the edges and topstitch it on the right side through the previously made seam.
7. Stitch the sleeves seams. Finish the sleeves hems same way as the front/hood edges. Stitch the sleeves to the garment.
8. Make up and topstitch the belt.
